## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sungho Hong on May 29, 2007.

The application has been amended as follows:

In claim 7, paragraph 5, the claim language "set in said setting a new time step" has been changed to "set in said setting an updated time step"

In Claim 7, paragraph 6, the claim language "setting the new time at said setting a new time step" has been changed to "setting the new time at said setting an updated time step"

In Claim 9, the claim language "wherein said setting a new time step" has been changed to "wherein said setting an updated time step"

In Claim 10, the claim language "wherein said setting a new time step" has been changed to "wherein said setting an updated time step"

Art Unit: 2853

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 7, and 9-12 is the inclusion of the method step of setting an updated time as the internal time when the power failure has occurred based on the result from said determining step where the updated time reflects correction from an error caused by the power failure of the local battery; and clearing the flag after setting the new time at said setting an updated time step. It is this step found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
